WORK EXPERIENCE

Freelance Animator/Illustrator

Mar 2013 - present

I am currently working as a Freelance Animator/Illustrator and have done a variety of jobs for individuals and companies including: Creativa Videos, eCreators, Bupa, BSI Learning, Logosdor, Salmat Learning, Small Island Studio, SMS Management & Technology.

Multimedia Developer, Pure Learning

Dec 2016 - Jan 2018

My job was to design and build e-learning solutions for clients and to create animations and illustrations for e-learning and explainer videos.

E-Learning Solutions Developer, eCreators

Mar 2015 - Oct 2016

I built e-learning solutions to achieve learning outcomes for clients and created a variety of animations and illustrations for e-learning and explainer videos.

Multimedia Developer, C-Learning

Jul 2013 - Oct 2014

I was responsible for building rapid e-learning programs using in-house software, CSS and HTML, and created, illustrated and animated cartoon characters.

Animator/Illustrator, Salmat Learning and Development Solutions

Apr 2008 - Mar 2013

My job was to animate and illustrate assets and sequences for interactive e-learning programs.

Animator

Blue-Rocket Productions
May 2007 - Feb 2008.

I worked as a 2D Animator on the children's television show Pixel Pinkie, released on Channel Nine in 2009. A showreel of my work at Blue-Rocket Productions can be viewed here: <http://vimeo.com/29907583>.
